

Sherwood Capital Request

I would like to request a library sign for the Sherwood Branch. One of the signs is faded and hard to see.

I would like to replace it with a new blue sign. The total cost of the new sign is \$97.00

My second request is for the same security camera system that Bronson has with 1 camera and cable for installation \$350.

Total Sherwood Capital request is \$447

Respectfully submitted,

Gina Horn
Sherwood Branch Manager
