

## CODE OF CONDUCT POLICY

4. Patrons may not consume food or beverages, except as part of approved special events or meetings; smoking or use of tobacco products is prohibited.

More and more libraries are moving to allow beverages in approved containers. I ask that you consider updating this policy to:

4. Patrons may not consume food, except as part of approved special events or meetings. Beverages must be in approved contained (reusable spill proof or spill resistant mugs and plastic bottles with reclosable caps are acceptable).
