

**Display Case:** We are continuing to display the photographs taken by SURA Arts Academy middle school students through the month of December.

### Psychology of a Portrait:

Dennis James of Dennis James Photography presented a program entitled “Psychology of a Portrait”. This program explored the history of the portrait and the psychology of it as seen through photographs of some of the greatest portrait photographers followed by local photographers who displayed their own works and presented the state of portrait photography today.

### Origami Christmas Ornament:

Evette Atkin presented an instructional program on making colorful origami Christmas ornaments.
