

From Union Twp. Branch:

We are in need of a new copier/fax and have given one a test drive for the last month. The copier is working out, so we'd like to purchase it. This is a used, off-lease Minolta C-35 from Solutions of Southwest Michigan in Union City. We are requesting \$2,200 out of capital to purchase this. Union Twp. Branch's capital fund currently has \$15,72.43
