

- I turned in our ballot language for the millage on Thursday, May 8. On Friday, May 7, I returned to the County Clerk's office and verified with Terry Kubasiak that everything was in order and accepted.
- On April 23, I did a Loss Prevention walk-through with Janet Dobryden of CMI. She stated that things were in a lot better order compared to her visit three years prior. The only issues we found were a few Exit signs that were not lighted. We are in the process of getting new batteries and bulbs for those fixtures.

- On May 14, John and I met with Bob Granger and Jeff Budd regarding the Coldwater branch building. Please see John's report.
- On May 15, I attended the Bronson Township meeting.
- The BDL Millage Committee continues to meet (weekly at this time). They are in the process of designing bookmarks, flyers and posters. They hope to have many of these completed in time for the Memorial Day parades.
