

# Adult Programming Report for July 2014

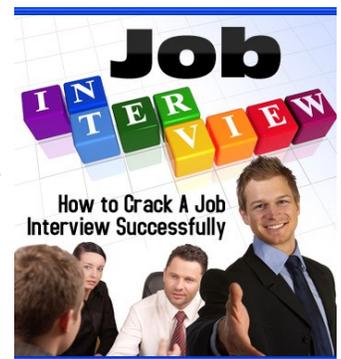

**Display Case:** This month's display case features John Deere Tractors from the private collection of Alwyn Groholski.

## Legg Middle School Planetarium Visit:

We had several of our patrons join us on a visit to the Legg Middle School Planetarium. They were entertained by teacher Andy Rossow's one hour presentation on the planets and stars visible in the night sky.

**Job Interviewing Skills:** Our Director, Evette Atkin, presented a program on interviewing tips and techniques. She covered topics such as proper attire, questions to ask, and best answers to give.

## Creating Butterflies from Pop Cans:

Participants in the upcycling program learned to make beautiful butterfly plant pokes from ordinary pop cans.
