## Our own Maker's Space Fun!

**Give children stuff & set their imaginations free and they will create!**

## Candyland

Saturday, April 25th was a child's dream come true as we held a room size Candyland Event! Over 24 children and teens participated with sweet treats earned by all. This event was made possible through the help of our T.A.G. members and a community service volunteer! Thanks everyone.

Unfortunately we were so busy having a great time that no one took pictures. You are welcomed to stop by and check out the vivid rainbow game squares. Alas there is no candy left either.

## Read Like A Girl Book Club Update

The inaugural book club for girls has gotten off to a good start with our first selection, The Summer I Saved the World in 65 Days being a huge favorite. Six teen/tween girls attended regularly during the six week session, discussing the book, making crafts, and just

enjoying each other. Plans are underway to select another book and start a new session. A big thank you to Krystal Prince and her leadership in this. The club is open to all girls, 6th grade and up. See Miss Julia in Kids' Place for more information, or to sign up.
