

Coldwater Branch requests \$1,850.00 to purchase a Minolta Bizhub 223 copier for use in our workroom, to come from Coldwater Capital.

Fast 22 ppm B&W print/copy output keeps document traffic moving

- Optional dual scanning at up to 160 ppm in both color and B&W
- Built-in Emperon print system with PCL6/PS3 emulation, native XPS
- Large 9” color displays make Konica Minolta laser multifunction printers simple to use
- Multi-touch functions: swipe, drag, double-tap, toggle, pinch
- Transparent menus, customizable icons, improved soft keyboards
- Integrated software control for legal, healthcare, education and government
- Downloadable apps to make you more productive

Branch District Library Board Members

I would like to install a bicycle rack at the library. I have received a quote from Merchants True Value for a galvanized, 1 sided, 4 bike rack in the amount of \$419.99 which includes shipping.

I am requesting your permission to use the ----- fund for this purchase. Thank you,

Judy Gottschalk
Dearth Union Township Manager
