

ADULT PROGRAMMING REPORT

November 2015

Display Case: This month's display case features glass baskets from the private collection of Heritage Room Volunteer Judy Groholske.

Digestive Health Wellness 101: Karla Anderson R.N., C.N.H.P., from the Holistic Care and Wellness Center, presented a program on what you eat and how it affects your digestive health.

Aircraft Production During World War II: Mike Kelley discussed aircraft production during WWII and how several businesses in Coldwater helped with the war effort.

Shirley Temple: Shirley Temple enthusiast and collector Barbara Taylor shared her passion for the actress along with items from her private collection. She also told personal stories and highlights from Shirley's life and career.

Stamp Crafts: Stamp Craft enthusiast Tammie Baker taught fellow crafters how to create one of a kind stamping projects. Participants made stamped greeting cards, a picture frame and gift bags to take home.

Canvas Painting Class: This class was canceled due to an illness in the family. It will be re-scheduled at a later date.
