

Kids' Place News 2016

Saturday Happenings

Paper Dolls & Harumika Design for the 100 Dresses Book Club Kick-off!

No one remembered to take pictures for our "Bully Me, Not!" and Easter Art events! Please take our word that fun was had by all.

PRESCHOOL VISITORS

March traditionally brings a number of preschool visitors to Kids' Place. This year we had visits from Little Lambs, Tot Spot, BISD Special Needs and the Lincoln Learning Center. We've captured a few special moments below.

Practicing our Bunny Hops!

Max Larsen Learning Fair making new friends

On the Road:

Our final numbers are in for the 100 Dresses Book Club: We had 16 young patrons participate with 8 turning in their workbooks. Miss Mollie Weaver received top accolades for participating in all our events and finishing all the workbook questions/activities. She was given a friendship bracelet kit for her efforts. Mikayla and Madison Everline also received honors for their work. Thanks to all who participated in our trial event. Plans are in the making for a “The Mouse & the Motorcycle” Book Club in May.

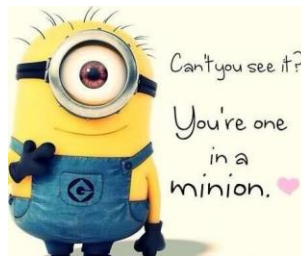

The March is Reading Month Program finished with 80 participants. We're still collecting reading logs so we don't have our winners or finishing numbers yet! It does appear that most of our finishers have read above the required goals!

This month we say thanks to:
The Everline Family-Books (30 books)
Jenny R: 100 Dresses presentation
Little Caesar: Crazy Bread Coupons
McDonald's: McCafe & Happy Meal BOG's
Chemical Bank: Summer Reading Donation
Honor Bank: May event giveaways.
