		Digital circulations make up 38% of the total YTD in June 2016. On average this year to date, 210 (0.85%) of our patrons are using OverDrive and Hoopla. There is likely some overlap with users of these two services, so the actual number of unique users is probably lower. We don't have patron numbers available for our other premium digital services.	In 2015 digital was 25% of the total circulation, with 144 (0.60%) patrons on average using OverDrive. We don't have patron numbers available for our other premium digital services.	In 2014 digital was 14% of the total circulation, with 120 (0.52%) patrons on average using OverDrive. We don't have patron numbers available for our other premium digital services.
