Ms. Deeren – Very upset to hear that the board plans to hire a firm from outside of Michigan to do a strategic plan when she feels that the board should be able to find someone within the state and will not support the library if continue to spend tax payer dollars out of state.

Ms. Cherry – Has concerns with spending money on a strategic plan when we have a building with lead paint on three sides, a leaking roof and a crumbling foundation and a front porch that we don't use, that the City wants us to spend \$25,000 to fix.

Martha Watson – addressed the concerns, telling them we have not hired a firm, we are still looking, but we do need a strategic plan. We also are fully aware of the condition of this building and the lease we have with the city.
