

Union Twp. Branch

- The Union Twp. Branch requests to use the anonymous Union Twp. Facilities Trust to replace the copier from 2014 at that branch. It is becoming more unreliable and we are now recommending replacement. Solutions of Southwest Michigan quoted us a price of \$2,300 for a refurbished Konica-Minolta Bizhub 244e multifunction copier.
- The Union Twp. Branch requests to use the anonymous Union Twp. Facilities Trust to add some additional multimedia and hinged periodical shelving. The quote from Borrough's Shelving (same that we have from the original outfitting of the library) and Mulder's Moving for installation is \$1700.
- The combined total for these two Union Twp. project requests from the anonymous facilities trust is \$4,000.
