

**FUNDING REQUEST FROM THE UNION TWP. BRANCH TRUST FUND
February 12, 2021**

I would like to request the approval for the purchase of the puppets for use in the Union Township Branch for story times, programs, and decorations. A wide variety of animals and insects have been selected allowing for greater usage and appreciation. I am looking to purchase 40 different ones for \$1215.61. Over \$19,000 is currently in the trust for our use. Here are a few examples of what was chosen:

Sincerely, Julia Baratta, Union Township Branch Manager
