I would like to thank the staff for helping me print some documents. (406) This is something that I really needed. I had no other way of getting this manual. They all tried so hard to help me with my problem. I can't explain how much this helped me, I really appreciate them and their efforts. Thanks Ian, Lindsay and Brandi. What a good staff.

Jessica,

Thank you for sharing. The kids did a great job with the crafts! :)

I hope that you and your family are enjoying all the fun activities and the reading program at the library this summer!

Have a great weekend,
Kimberly
