About BDL

Formed in 1991, Branch District Library (BDL) serves more than 46,000 residents of Branch County, Michigan, and neighboring Allen Twp. of Hillsdale County. The Library is comprised of six locations around Branch County. BDL, an independent unit of local government under Michigan law, is governed by a seven-member Board of Trustees, appointed by the Branch County Board of Commissioners and the City of Coldwater.

BDL currently serves more than 14,000 active cardholders with a collection of over 108,000 items housed in our six branches, and a digital collection of almost 2 million items. The library also offers a variety of services to our patrons: access to computers, wireless Internet, mobile printing, free notary and fax service, great programs and events for all ages, and so much more.

ANNUAL REPORT 2024

2024 was the year when visits to library programs finally exceeded their pre-pandemic levels, though total visits to the library were still somewhat lower. It was a vibrant and dynamic year, full of laughter and curiosity.

But it's not just in our buildings where great things happen. Whether visiting a school, starting a StoryWalk®, launching a new Little Free Library®, or hosting a pop-up library, BDL staff were also out in the community to provide collections and services to people where they are.

“

My daughter loves going to the library to get books to read, but she really enjoys the different crafts and activities that they have throughout the year.

“

The library has created great memories for me ever since I started high school by providing a great, quiet place to study, and by providing great programs to educate and entertain me.

The Most Popular Items of 2024

With nearly 160,000 checkouts last year, many thousands of items are checked out only a small number of times, or even just once. These are the highly popular items that stand out in that list.

For the fourth year in a row, People magazine is the most popular item overall, and for the fourth year, a title in the Diary of a Wimpy Kid series is the most popular kid's book.

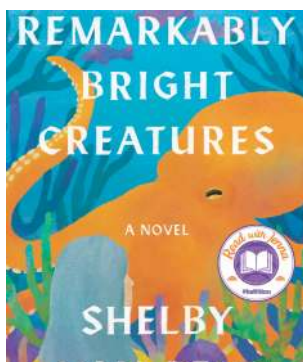

BDL's choice for the 2024 **One Book, One County** reading event, *Remarkably Bright Creatures*, was our most popular adult fiction book by quite a large margin.

Facilities Improvements

RECARPETING AT THE COLDWATER BRANCH

Maintaining a grand old building takes a lot of work. After two years painting the Coldwater Branch inside and out, in 2024 it was time for new carpeting, flooring, and stair treatments.
