Dear Library Supporter,

After a wait of more than two years, the first bookmobile in Branch County since 1966 has arrived! This new mobile library will take our services and collections to stops throughout our service area: like schools, elder care facilities, and a variety of other locations in townships that lack a permanent library branch. Library staff have been laying the groundwork for our new service with pop-up libraries around the county the last two years, and soon the bookmobile will be on this route and beyond. You can follow our progress online at BranchDistrictLibrary.org/bookmobile.

Though compact, our mobile library will have a collection similar in size to one of our smaller branches. Creating a new branch library collection from scratch is a major undertaking, costing many thousands of dollars. It would take several years to reach this target with our typical operating budget, but your generous gift could help us fill those shelves much sooner!

The BDL Board of Trustees believes in removing barriers to library access wherever possible. With our 24/7 digital library, WiFi hotspots, and now our bookmobile, the library has indeed left the building! Your donation will help to ensure the highest quality services to all of Branch County.

You may give online at www.BranchDistrictLibrary.org/donate, or with the enclosed envelope. Any financial donation to the Branch District Library is tax deductible on your federal income tax return.

Thank you for supporting our library!

Benjamin Jewell
President, BDL Board of Trustees

John Rucker
Library Director
