THE STAFF IS FRIENDLY, HELPFUL & PLEASANT. THE LIBRARY IS A GREAT PLACE TO VISIT, KEEP UP ON THE COLDWATER PAPER & OTHER COMMUNITY ACTIVITIES. IT IS ALSO A GREAT PLACE FOR KIDS (& OTHERS TOO) TO DISCOVER THE JOYS OF BEING A READER, LEARNING A LITTLE ABOUT WHAT OTHER PEOPLE THINK.

I Love to bring my children to this Library, We have a lot of fun, especially the Scavenger hunts and special events!

COLDWATER, MI (WTVB)- Temperatures are warming and it will soon be time for planting season. The Branch District Library has a Seed Library available at two of our branches, the Coldwater Branch and the Union Twp Branch.

They have vegetable and flower seeds, as well as a few heirloom varieties, available for free.

Patrons may “check out” up to 10 seed packets per household, and no more than 2 of the same seed variety .

Seeds are available on a first-come first-serve basis for as long supply lasts. More seeds will be added as they become available.
