

CONTRIBUTION FOR THE ALGANSEE LIBRARY RENOVATION

June 5, 2025

Per Algansee Twp. Supervisor, Craig Fitchelberg, we are nearing time for the contractors to start on the renovation of the township hall for our new library space! In July 2024, the Board committed to supporting this project with a contribution of \$60,000, which was then included in our approved budget for 2025. I am now requesting a motion to allow the library to make this payment from our Assigned Fund Balance for Special Projects, to be applied toward this renovation.
