

No, it's not déjà vu all over again, we really are going to talk about the [Borrowing and Lending Policy](#) again a month after the last time.

We met with the Branch County Community foundation on August 7 about their efforts to increase child care opportunities in the area. One of the ways the Library can fit into this picture involves our support of daycares. We will gladly help do training on how to conduct effective story times.

Another way we can assist would be to extend our teacher card type to daycare providers as well as our current educators at schools and homeschools. To facilitate this, we propose the following change.

This sentence:

Available to educators at schools and homeschools within the service area.

Could change to:

Teacher cards available to educators at schools, homeschools, and daycares within the service area.
