The silent disco was so much fun!!
Our family hadn't heard of one before, and we
almost did not attend. I'm so glad we decided to
try it. We all loved it! All of our children ages
7, 5, 3 had a blast. Even my husband
had fun and said he would love to do it again!
Thank you for such a great family event!

This was awesome. They
are both so knowledgeable and
personable. I learned so much
and am excited to view
their website and try
the products I purchased.

For a small town library they decent selection of books, but more importantly the librarians are very curtious and very well knowledgeable on how to find what your looking for.
