# Message from the Library Director

he last 18 months have not been easy for anyone, and looking forward our 2022 budget proposal shows challenges yet to come. We have all of our usual priorities that come with operating a library and providing materials and services. These traditional priorities are made more difficult, however, by lower projected revenues, the continuing effects of a global pandemic, inflation rates at a level not seen in over 30 years, ongoing major building maintenance concerns, and our goal in the strategic plan of implementing a bookmobile for the district.

With all that in mind, in 2022 we will be trying to do more with less. The only way we can accomplish this is to make modest adjustments to certain budget categories and to leverage our Unassigned Fund Balance–our "rainy day fund". Thankfully, the budgetary conditions of the last few years have left our fund balance in a healthy state. We will be able to use the fund balance to achieve our goals and live up to our obligations, while ultimately ending 2022 still with a fund balance at or beyond recommended levels for a District Library in Michigan. penal fine collection returns to normal levels.

The 2022 budget includes the second of several years of significant additional funding for children's materials district-

If you subtract out the two major proposed projects of a district-wide bookmobile and completing exterior maintenance at the Coldwater Branch, the 2022 budget proposal is in line with past years. Without those two projects, we would be looking at using our fund balance to cover a deficiency of about \$25,000, well within the margin we would expect to regain as wide from the generosity of the Shamuluas Trust.

This budget also includes a 3% Cost of Living Adjustment for all library employees.

#### **2022 Operating Revenues**

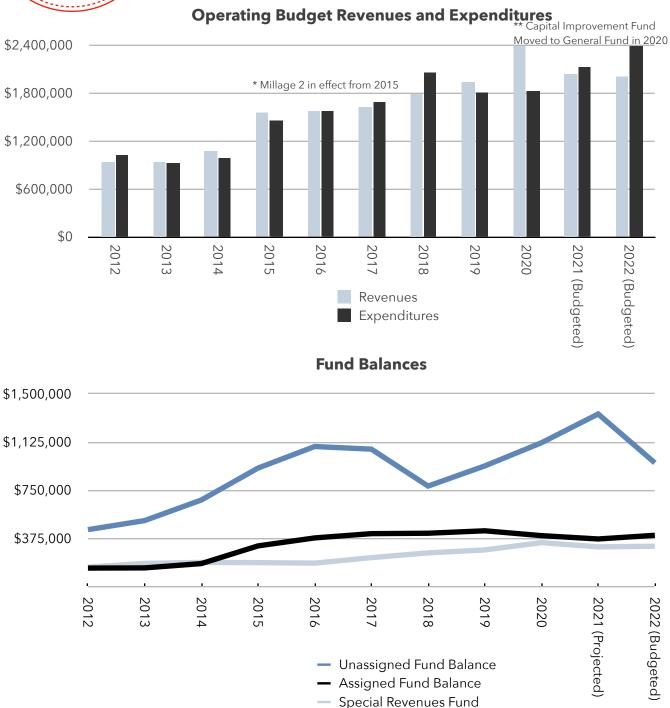

## **2021 Operating Expenditures**

- Personnel is 74% of expenditures when one-time major projects are factored out.
- See page 9 for expenditures detail and page 13 for descriptions of all categories.

# **Historical Context**

- The 2022 Budget includes using \$360,000 from the Unassigned Fund Balance. See chart 2 on page 8 for a detailed explanation of the fund balances. See Expenditure Detail (pp. 9-12) for descriptions of planned Fund Balance Use.
- See page 9 for expenditures detail.

#### Notes

• If the General Fund is the library's "checking account", then the Unassigned Fund Balance is our "rainy day fund". Any excess revenue over expenditures in the Operating Budget at the end of the year adds to the Unassigned Fund Balance. Any deficiency would be paid out from the Unassigned Fund Balance.

• Library of Michigan Recommendation is that the we maintain at least 4 months of typical operating costs in our Unassigned Fund Balance. For BDL this would be a minimum of about \$700,000.

#### Notes

• The Assigned Fund Balance for Special Projects was previously designated the "Capital Improvement Fund".

- Per the BDL Plan of Service (https://www.BranchDistrictLibrary.org/governing\_documents), 3% of millage 1 is allocated each year to grow this Assigned Fund Balance to enable purchase of fixtures, interior improvements, or other large projects for the benefit of the district or specific branches.
- There are no planned major projects to use the Assigned Fund Balance in 2022.

#### Notes

• The Special Revenues Fund comes from donations to the library. Some donations are restricted to a specific branch or purpose. Others are unrestricted. Donations come throughout the year, often peaking near the end of the year.

• Transfers from the Special Revenues Fund to the Operating Budget for special projects will occur late each year, and be only for the amounts actually used. The Special Revenues Fund is not used to increase the Unassigned General Fund Balance.

#### 1. Taxes

BDL's tax revenues come from primarily from Property Taxes, with small amounts from other related sources, like the Personal Property Tax and the Industrial Facilities Tax.

Property tax revenues are determined by multiplying our total millage rate by the taxable value of Branch County, as determined by the Branch County Equalization Department.

For the 2022 Fiscal Year, Branch County's taxable value is \$1,588,163,838.

BDL has two millages:

- Millage 1, at 0.6029 mills, in perpetuity from 1991 (reduced from 0.7 by the Headlee Amendment)
- Millage 2, at 0.4983 mills, in effect from 2015-2022 (reduced from 0.5 by the Headlee Amendment)

For more on the Headlee Amendment, see <u>https://</u> <u>www.canr.msu.edu/news/</u> <u>what is the headlee amendment and</u> <u>how does it affect local taxes</u>

#### 2. Penal Fines

Since 1835 Michigan's Constitution has contained a provision stating that income from penal fines shall be used for the support of public libraries. Michigan law require that penalties collected for violations of the state penal code be paid to the county treasurers. Therefore, penal fines are local funds, collected within each county, distributed to public libraries serving residents of the county.

# **General Fund Narrative**

#### 3. State Aid

Enshrined in Michigan law under Public Act 89 of 1977, State Aid is disbursed to public libraries twice a year, using a formula of the aid rate set in the annual state budget multiplied by the library's service population.

The FY 2021 rate was \$0.4299853 per capita. As of 10/12/21, the FY 2022 rate has not been announced by the state of Michigan. Multiple this rate by our population times 2 to get our approximate annual State Aid payment. Half remains with BDL, and half goes to the Woodlands Library Cooperative to cover our membership.

#### 4. Charges for Services

This line shows any money we collect from patrons directly, including for copies, printouts, and the sale of small office supplies to the public. It also includes fees for replacement library cards and non-resident cards.

BDL proudly has no overdue fines. However, patrons are charged a processing fee and the cost of the item for lost or damaged materials.

#### 5. Reimbursements

BDL provides payroll services to the Branch County Literacy Council, and we are reimbursed for all such expenses. Other reimbursements come from the Woodlands Library Cooperative for delivery services and various institutional memberships.

#### 6. Interest Earned

Self explanatory.

#### 7. Other Revenue

Grants received and any other miscellaneous revenue.

#### 8. Transferred from the Capital Improvement Fund

This was a one-time transfer of the entirety of the Capital Improvement Fund into the General Fund. This transfer comes at the recommendation of our accountants. The full amount transferred will then be designated as an Assigned Fund Balance for Special Projects, with the same governing rules as the previous Capital Improvement Fund.

#### 9. Transfers from the Special Revenues Fund

This line is for transferring money from from our Special Revenues Fund, which is mostly donations, to finance occasional projects.

- This budget provides support for hiring the Algansee Branch Manager, a currently vacant half-time position at the Coldwater Branch, a new branch manager for bookmobile and outreach services, and two additional half-time positions to cover bookmobile and Coldwater Branch staffing.
- Paid Time Off (PTO) coverage is budgeted with the assumption that shifts are being covered by staff earning \$13.26/hour. Not all employees would need coverage; typically only those working public service desks would require some coverage.
- Only 1 courier ever works at a time, so there is no need to budget for them both.
- To figure any line on the table above: ((Weekly Hours x Hourly Pay Rate x 52 weeks in a year) + (Hourly Pay Rate x 12 Staff Meetings) + (PTO Time x 13.26 per hour) + Longevity).
- Total Payroll Costs above represent the maximum potential cost of the employee to the library, not their personal wage.

#### Note

- Paid Time Off (PTO) coverage is budgeted with the assumption that shifts are being covered by staff earning \$13.26/hour. Not all employees would need coverage; typically only those working public service desks would require coverage.
- Total Payroll Costs above are the maximum potential cost of the employee to the library, not their personal wage.
- BDL provides pavroll services to the Branch County Literacy Council, and we are reimbursed for all such expenses. 18
